“ Barry was a great friend to Jim and myself - he was an awesome caring Volunteer at the Grand Strand Medical Center for many years (which is where we met him). While getting to know him we found out that he (along with Jim) loved to golf - and they were in a foursome for years with the Murrells Inlet Elks. We shared many good times with Barry and Nora. God be with you Barry - you were an awesome friend!!!! Love from Jim and Laura Eagan
