

Bart Moudy

January 31, 1940 - October 5, 2021

Bartlett Albert Moudy III, 81, of Loris passed away at his home on the morning of October 5, 2021 with his family by his side. Bart was born on January 31, 1940 in Lackawanna, New York, a son of Bartlett A. Moudy II and Orleana Merwin Moudy. He was preceded in death by both of his parents.

In life, Bart was a master mechanic and could fix almost anything. He was very hardworking by nature and also worked in road construction. While in Buffalo, New York, he worked for Holmes & Murphy Caterpillar. He also worked for Caterpillar in Alaska, training others as mechanics to work on big equipment, before he was married. Lastly, he worked for Dickerson & Ryan in Florida until he retired. Bart and his wife Agnes lived in Conway for several years before moving to Loris to be closer to Agnes's daughter Vicky.

Bart's family describes him as very hardworking but also extremely kind and caring. He took care of everything and always stayed busy tending to the family home, the yard and the vehicles. He continued to work hard and stay busy up until shortly before his passing. He made many friends in the Conway and Loris communities and made an impression on everyone he met with his warm smile and kindhearted ways. He was a generous man who loved his wife and family dearly.

Bart is survived by a loving family including his devoted wife of 41 years,

“ I met Mr. Bart and Aggie through a family member that sat with them at McDonald's in Conway to BS. We had a instant bond. There such a wonderful couple. But Bart what a jokester. He would have me rolling at some of the stuff he would say or do. For example stocking up on napkins and straws afraid he was going to run low or out.... 😊 lol....he loved his dog that got hand fed a hamburger by him every time he went to McDonald's. The love and respect he had not only for Ms. Aggie but any lady that was in his presence I know Ms. Aggie is truly going to miss. He was surely one of the good ones God must of had bigger plans for him. But glad I had the opportunity to get to know him and Ms. Aggie as they are much more than acquaintances there my adopted family. Love to all the family during your time of healing. Love Margaret from BI-LO

“ I met Bart Moudy around 2010 when we moved to Conway South Carolina. It turned out that Bart and I shared many of the same interests and quickly formed a fond friendship.

Aggie, Bart's wife and my wife Marie were of the mind that Bart and I were running off our rail a bit with our brand of humor. Lol, they were right. Bart and I made everything we did a point of humor. For instance, I found Bart outside in the front yard with the house vaccum sweeper sweeping the grass. Ever the jokster Bart always made my day. I am sure he made everyone's day at one time or another.

That boy loved life and everything about it and lived it to its fullest. He made sure everything he did was done right. That was one great thing, among many, that drew him into my heart as a true friend. He was always there when you needed help no matter what it was. Bart taught me a great deal concerning everyday life and how to live it to it fullest. He taught me patience, something I lacked in my life. He taught me not to worry about the little things that bugged me and how to overcome them.

It is not hard to describe Bart. Simply use the terms, loving, caring, honest to a tee, helpful, happy, amazing humor, and loves life. I don't have enough time to say the numerous things that I liked about Bart, but I can say what I didn't like about him.... NOTHING! Bart Moudy was a great friend, mentor and lucky for me, he was as crazy as I am.

God Bless you Bart Moudy and you just keep those in Heaven in stitches like you did us here on Earth. You are in good hands now and part of me envies you for that. May God continuously wrap his arms around you and keep you my friend. I shall miss you more than I can express.

Until we meet again.... Your friend Charlie.
