“ *Mrs. Bea had the most radiant smile. She could light up a whole room with her beautiful smile. I will keep the family in my prayers. You will be missed, but God has an amazing angel in Heaven now.*

“ I Have so many wonderful memories of my Beloved Aunt Bea, She was truly a Lady in all definitions of the word. She always knew how to make family, friends, total strangers feel comfortable, she was a people person, a peacemaker, a wonderful human being! The world has lost a wonderful human being in the passing of this beautiful woman! Her smile always lite up a room, always made everyone feel comfortable in her presence. Always giving of herself even whenever there wasn't anything left to give, she found that little piece (of give) to pass on. She could find the Rainbow in the darkest, stormiest sky! I speak for myself & i am sure anyone that knew her would agree that she shall be missed on this Earth. God is smiling now because he has her now, for her journey on Earth has ended & she is begining Eternity in Heaven, Finally pain free & her suffering on this Earth is over. I will miss you Aunt Bea, i find great comfort knowing that you are now an angel in Heaven, watching over your family & someday we shall all be reunited in Gods Place! Rest In Peace My Beautiful Aunt & please give Grandma, Little Grandma & Dad my love, hugs, kisses & prayers. I shall miss you terribly, I have all my wonderful memories to carry me forward now. I Love You & Cherish all that you have taught me, shared with me & all the Good Times we had together! God Bless the ones you have left behind. I have something that you gave me as a baby that not many people know, my nickname, which is Shelley, but you called me that for whatever reason & it stuck, for my given name is Andrea Michelle Dzura! I treasure that fact between us! :) Love, your niece, Andrea (Shelley) Dzura-White

My mother was the most compassionate person in the whole world. She loved everyone and everyone loved her. She was my rock, my best friend and the reason I am who I am. She will be terribly missed and my heart is broken. In time it shall mend. She will be my angel on my shoulder, leading me down the right path in life. I love her more than life itself, and will live my life the way she would have wanted me to. I love you mom and if I look up to heaven, just know I'm talking and thinking about you. Your loving daughter Kathy.
