“ *I often went to her house on Sundays after church and she would cook her fried chicken and macaroni and cheese. After that all us girls would wash her dishes. I always loved Mrs. Bela.*

“ It was such an honor to know Bela and witness the love she had for her family. Bela loved greeting cards and enjoyed sending and receiving them. She loved to laugh. She loved the days when she was well enough to drive to her church and worship with her church family. My three grandchildren had the good fortune to live next door to "Granny". How many children have the opportunity to know a great grandparent? They are blessed, as we all are to have had her for 96 years. Her six year old great granddaughter said, "Granny will be able to go to heaven now and wear a gold crown on her head". Bela was pampered by her surviving daughters. I don't think she could have asked more of any of them. They are awesome women. She taught them well.  
I send my deepest sympathy to her daughters and entire family.
