“ already missing my neighbor and friend. Douglas would always tell me if he could help me out with anything to let him know and i always told him the same thing. Douglas loved his pet "Jingles" and would pass my house with Jingles hanging out the window or would pass by with Jingles on the golf cart, many times Doug would turn into my driveway with fresh vegetables that he had grown. Douglas was a very good man that loved his family very much. He would always mention his wife Helen and rest of family, i knew them before they knew me. I'll always miss Doug's presence and friendly greetings when we would visit. May God bless and help his family during this sorrowful and depressing time.

“ I'm so sorry to hear of Douglas passing. He done well for hisself (as mama would say) she liked for people to do well. I remember Douglas when he was young tall, pretty dark kind of curly hair and always so nice. Y'all would look like U were having so much fun every time we stopped by I wanted to stay and play and help Martha wash clothes and Aunt Perline cook and get some play in with the younger children but mom said they didn't need me being a problem. I was telling Tiny and Tony I still have a dog house that mom asked Uncle Ben to make me. It's at least 30 yrs old. I put new shingles on it and some lap boards and it's doing great. There's no dog n it but the cats sleep on top of it. But I'm so sorry for your loss. Lean on God and He will hold u close and help you come through this difficult time. Love you all, Bonnie.
