

Bennett James Thompson

April 16, 2023 - July 25, 2025

With broken hearts, the family of Bennett James Thompson announces his passing on

July 25, 2025 in Myrtle Beach, SC. Bennett passed peacefully in the arms of his loving parents,

surrounded by warmth, comfort, and immeasurable love.

Though his time on earth was brief, Bennett's big smile, outgoing personality, bright eyes, and

joyful spirit brought immense love and light to everyone around him. He touched the hearts of

everyone he met in his two years of life, leaving a lasting impression for all of eternity. His

presence was a gift, and his memory will forever be a source of strength and love.

Bennett is survived by his devoted parents, Kristopher and Meagan Thompson; his loving

grandparents, Bryan and Amy Killian, Juli Thompson, and Kirk Thompson; as well as by the rest

of his close and extended family, all of whom will forever carry his memory in their hearts.

The family would like to extend their deepest gratitude to the nurses and doctors of the PICU

floor at Grand Strand Medical Center, as well as the respiratory therapists who

lovingly cared for

Bennett. Your compassion, skill, and tireless dedication brought comfort during the most difficult time of their lives.

A celebration of life will be held on Thursday, July 31st at 1:00 PM at First Baptist Church of Surfside Beach. The family will receive friends prior to the service from 11:30 AM to 12:45 PM at the church. All who wish to honor Bennett's memory are warmly invited to attend.

In lieu of flowers, donations may be made in Bennett's name to the PICU department at Grand Strand Medical Center, so that his light may continue to shine in the lives of others.

"Some people only walk this earth for a short time. Their departure reminds us that angels are watching over us."

My name is Pam Wildt, touched by Bennett, also. My husband had a heart attack and passed before our first born son was taken off life support. Proudly I watched our daughter change careers to respiratory now saving lives. My son actually died of an accident after a valiant cancer battle but made me aware by saying.. "crap happens" that forgiveness is the first stage of grief. I too have cancer, doing well and remarried as with God finishing an unlikely chapter. My prayer now is we push for legislation for pool safety. An electric eye.. laser alarm required by law in honor of Bennett! The technology exists.. more than unbuckled children.. drowning is number 1 in a 1-5 age group. Sadly.. Bennett was not the only that drowned that day 😞 . This."MUST" stop as I have already written our South Carolina statesmen/women...If anyone.. wants to get on this bandwagon.. petitions.. whatever..I am.. ladyump6@ gmail.. spending every weekend I can health wise with children playing ball!! Thanks in advance, y'all 😊
