“ *Diana,
I am not sure you will receive this post after so many years since your father has passed. I am Benny's sister Dell's daughter, Paula. We have never met but I live in Hendersonville NC. We heard your father speak so highly of your accomplishments during his visit before my Mother passed away. He was very proud of you.*

If you are ever up in our area I manage A Day in the Country in Hendersonville and I am also involved in our winery Burntshirt vineyard. Please let your Mom know of our belated sympathies of your Fathers passing.

*Diana & Family, please know that I will continue to pray for you and your family during this difficult and sad time. My father and father in law both passed away in the last year, so I know what you are going through. It's amazing to feel God's comforting arms as you go through such an experience. Love,
