Bernie was born March 4, 1927 to James Palmer and Theresa Coffey Palmer in Waterbury, CT. He was raised in Naugatuck, CT with his siblings. In 1947, at a barn dance, Bernie met Ann Olivieri whom he married a year later on October 2, 1948. They were married 61 years. Bernie and Ann were blessed with four children: Debbie, Bernie, Gary and Terry. Bernie served as a mechanic in the army during World War II. He was a member of the Veterans of Foreign Wars, Teamsters and Murrells Inlet Elks USA Lodge 2797. Bernie was well respected for his work as a mechanic and worked for Lombard Trucking Co. for 25 years. He also worked for the Naugatuck public school system. Upon retiring, Bernie moved to Myrtle Beach, South Carolina where he could live out his passion for playing golf with his friends. Bernie was a devoted father who loved watching his sons play football, basketball and baseball. He was a fanatic golfer who drew great pride in playing with his daughter, sons and grandchildren. He also loved the entertainment of slot machines at the casinos in CT. An avid stock car fan, Bernie spent many nights racing his own car, with his family cheering him from the sidelines. Bernie's love for family never wavered and he frequently spoke of how lucky and blessed he was to have such a beautiful wife, four wonderful children, a caring son-in-law and three loving daughters-in-law. He adored his 8 grandchildren who knew him as "Pop" and made many visits to spend time

with them. “ Dearest Bernie. YOU WERE THE HIGHLIGHT OF CHRISTMAS. Not to discount the rest of the family... but your wit, twinkling eyes, adoring words and gestures for Ann a sure fire pistol of a honey love and your affection for your grandchildren did not go unnoticed. Geeze - but had you a clone I would be first in line. I have missed you at the head of the holiday table , your blessing, wisdom & hitting the nail on the head to make your point. I will continue keeping up with Ann, the knitting machine, and hope for the time that I will be with her at Gary and Harlee's.
