So sorry for the loss of our good friend and "Bud". His memories will always be with us. Memories of all the years Lloyd and I worked at U.M. with him. Memories of visits, and sharing vegetables from each others gardens. Memories of fishing together. Ted loved fish and would ask anytime he saw us, "When you been fishing Bud, I need some fish." We would see that he got some if we went . Ted was a one of a kind and will surely be missed by all that knew and loved him. With Deepest Sympathy. Lloyd, Wanda, & Tracy Stevens
