“ *Jerry was my gym buddy. We worked out on Tuesday, Thursday and Saturday at the same time, and became friends. Jerry was in amazing form for someone 20 years younger. He used the ellipse, and did weights. He said he really looked forward to his workouts. He was excited for their Brevard visit.*

Just last week, I told someone at the gym I would be glad to see Jerry back, thinking he was still in Brevard. I will miss Jerry, his spirit, and encouragement. What an example for all of us.
