“ To his children and their children, Pug was my favorite brother in law, and we spent many hours together. I loved Pookie & Pug. My condolences to all of you. And to myself because I too lost favorites of my youth.

“ Brett and Lorie, we are so sorry of the passing of Puggy. He was such a sweet and kind man. He was one of a kind. I know both of your hearts are broken right now. Losing someone that is so close to you hurts. We are praying for both of you that the Lord will comfort you during this time.
Love you both, Marion & Betty Humphrey

Thank you Betty and Marion. He spoke highly of you both after we stayed with you through the hurricane. Betty, he said you were his nurse that night when he fell. Love you much
