“ *Bernice, was always referred to as our "rock". She played golf every Monday, with the Palmetto Ladies. Even when it was hot and cart path only, she was a trooper. The only time she didn't play was when her family was in town, or when her son took her and the family on a European riverboat trip. She loved it. She had such a wonderful time. I know she loved our league as well.*

*I had the privilege and the joy playing golf with her for her last round before she left us.*

*Sandi, Bernie and I played a threesome that last day.*

*I loved her, and I will miss her, and I will miss giving her a hug before we played each week. She was a lovely lady.*

*Goodbye Bernie, I will keep you in my prayers and in my heart always.*

“ *Bernice was a dear sweet woman. She came in the hair salon I worked in for years. She was so thoughtful and would always bring us baked goods at Christmas. I was just thinking of her not long ago. Rest in Peace dear lady. Keeping the family in my prayers*

*Bernice was a welcome addition to our book club. She was such a part of it with all of us. She will be missed---her humor, wit and intelligence. She always took us to the tea room when it was her turn---we enjoyed it so much. My thoughts and prayers are with her family.*

“ *Bernice was such a beautiful Lady and was so very proud of her Family. She always shared pictures and great memories of all you, especially at our Mahjong get togethers. She enjoyed life to the fullest and we will certainly miss her smiling face at Pinochle and Mahjong. I feel very blessed to have known her. My thought and Prayers go out to her entire family. She was a very special lady for sure. RIP Bernice. God certainly gained a Beautiful Angel on Tuesday.*

“ *Dear Cousins,  
So sorry to hear about your Mom. In our family she was the last of that generation.*

“ *I met Bernice 4 years ago. I felt that I had known her a life time. That's how she made you feel. Full of love, life and compassion. I was very fortunate to have celebrate my 65th birthday with us. They say "we only visit this earth, make the most of your visit" Bernice certainly did that!  
play the 19th hole in Heaven, Bernice.*

“ *I'm so lucky to have had Bernice in my life, little expecting that it would be the last years of her life. We shared many happy moments together, and even "starred" in a play together. Surely she is in heaven with her ever present rosary. I will miss her terribly.*

*Bernice originally lived in Depew, NY, where I also grew up; however, it wasn't until we visited Surfside Beach that we met Bernice and Ed. She was a very caring person and always a joy to be with. She shared her Easter morning brunch with her family and included us in that Easter celebration. I am so sorry that her life here has ended but I'm sure she is now in heaven. I will miss her when golfing.*

*Bernice will be forever remembered with love and respect. She was always such a wonderful example as a wife, mother, grandmother and great grandmother...and friend. Our families in Virginia send our most sincere sympathy to all of the family during this heartbreaking time. She blessed all of our lives.*
