“ Dear Connie,

My deepest sympathy to you and your family. I have such fond memories of Aunt Bernie and all the good times we shared with each other. Your mom always made me feel special and welcome whenever we all got together.

*Peace, Love and Light

“ Aunt Bernie, I will miss you, and miss knowing that you are out there golfing and enjoying your family and life in general. You, Aunt Delores, and Mom always looked so much alike and sounded so much alike, that sometimes it was difficult for me after Mom died. But I remember you as so much fun, and for being so loving.

We had such a good time when you, Mom, and Dad came down to stay with me in the Keys. I believe you and Mom were never dry---- you went from the beach to my hot tub. My poor hot tub had suds in it from all the lotion you ladies used. We laughed a lot about that.

I remember shopping with you all in Key West Aloe and you bought Milt (who you were just beginning to date) a cologne named "Sex in the Afternoon". That's when I knew you and Milt were going to end up together.

Your family was so fortunate to have you. I hope and pray that all will be well with them.

Connie, my cousin, I love you. I know you will handle your grief with grace.

Love,
Carole Kugler
