“ Dear Daniels Family, Words come real hard to express over the loss of sweet Bernice. I will miss that sweet smiling woman. I felt so very honored to be a part of her care and be a part of your family. There is no greater love I've ever witnessed as the love I seen Preston show Bernice for all to see. It's as if I was watching a love story, but yet has not ended. She is with Jesus, and one day will meet her loving husband and family again. Thanks for allowing me to be a part of this awesome story... in which I shall continue my part as it carries on...Much love to each of you. Hugs and kisses!!##imported-begin##Sandy Sheppard##imported-end##

“ I will always carry the fond childhood memories of you, and will carry those memories in my heart forever. I live with the prayer and hope that I will see you in Heaven with the rest of the family when I cross that bridge, hoping you will be among them to meet me there. May God be with you always.
