“ Dearest Lynn, Jodi, Karrie and families,

We feel the loss of Bernice in so many ways, starting from my childhood and continuing on through our adulthood. Bernice shared so many wild and wacky times with my Mom, and the friends they made here in Rochester. We shared so much laughter with Bernice both at home and out in public, and those memories we will cherish forever! Bernice was a wonderful wife, mother and grandmother, and a very special friend! I know she is in Heaven, and watching over her beautiful family! To Lynn - I know you feel such a great loss, but look at the beautiful legacy she left behind!! We love and miss you! “ I was blessed to get to know her when she moved to our neighborhood. There were times that I would just stop by with my dog Penne and sit and visit. Bernice was a great lady and I enjoyed stories she shared with me about her days at Kodak. She was a sweet loving lady that loved her family. R. I. P. And may God bless you always as He welcomes you home.

We had the pleasure of knowing her only for a few short years, but will always remember her laughter and the way her face was just beaming with happiness around her family. Love to you all.
