“ Gus & family, my sincere thoughts are with you all today as I think back of your beautiful Mom in her yard doing her gardening and lawn work, never a hair out of place. She was one of the prettiest ladies I ever knew and she loved her boys.I remember her allowing you and Kris to scare all of us at Halloween in the trees!My heart goes out to all of you. I would love to see some pictures of your family and little Kris.Love & prayers, Alice##imported-begin##Alice Warren Woodson##imported-end##

“ *She sounds like my kind of lady! I work for the Danville, Va. Register & Bee, and just finished typing up her obituary to go in our paper tomorrow - it sounds like she loved life even more than she did books and crossword puzzles! I almost felt like I knew her - she seems to be quite a treasure!##imported-begin##Joy Garrett##imported-end##*
