“ Aunt Bert was a big part of my life! I will miss her laugh, her encouragement and her common sense. She taught me the importance of family and of enjoying life. So many family members have connections with her St. Pete! It's a tribute to her, that we all loved the place she spent so many years in. She lived a full life, enriched by family, friends, and travel. She was really good to me. I Miss her already!##imported-begin##Debra Jo Kinsella##imported-end##
