“ *Betty and Biscuit were my dog park friends. We had formed a small group that met at the same time everyday to socialize the dogs but truthfully it was for us. We just loved our group and the happy hours at her house. My heart goes out to her family. She was one special lady.*

The Dixon family is mourning the loss of a sister. Betty and I were close in age and grew up together. We both attended Wells High School, played in the band and were both on the winning basketball team. I have wonderful memories of my sisters. Two other sisters have passed and Patience and I still remember our wonderful get-togethers. Our brother, George is also mourning her loss. May you rest in peace, Bett.
