“ Hi family, I'm sorry to hear about aunt Bess. I just want to say I'm thinking of you all. I was thinking about my wedding present she gave me and one of her art pictures that she gave me. They both are something I use in my home and will be cherished. I wish I could be there but my daughter, Michele is 17 and had junior-senior prom and I got a promotion this year of assistant manager in my lunchroom so i have some things I had to be at work for on Monday. My brother shared with me how i could still send you a message and I was thankful for that. I love you all and hopefully we can see each other again someday. I know we have all grown up and have families and it would be nice to see everyone and how they've changed. Our Prayers are with you and God's Grace and Comfort are too. Love, Betsy, Wayne, Michele & Anna 4-29-07###imported-begin###Betsy Lee Sheffield###imported-end###
