“ I would like to extend my sincere condolences to the children and grandchildren of Bessie Turner. Though I do not know you personally, as a Christian Minister I wanted to extend to you some comfort the Holy Bible can offer during this difficult time in your lives. When Jesus was on the earth he promised that there would be a general resurrection. John 5:28,29 He also,through his own resurrection guarantees that this will occur. Acts 17-31 I pray that the memories you have of Mrs. Turner will sustain you until that glorious day when you will see her again. Then you will see the wonderful fulfillment of Revelation 21:3,4.##imported-begin##Suzanne Lombado##imported-end##
