“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

Please, know that God is a strong refuge for those grieving and is near to those who are experiencing distress (Psalms 9:9). May you have strength and peace during this difficult time.

“ So sorry go your loss. Elaine your Mom thought the world of her Family. She loved you all so much. We had some chats & she smiled all the time about Family. She never had a Frown. Your Mom had such a Glow about her.

Times will be hard, days, weeks, years but always remember the good times. Because when we spoke that's all she talked about.

The Lord had plans for her that we knew nothing of. And if she were here now she would tell you I will see you again. Until then I love you. Rejoice in happiness in knowing she has gone on to be with the Angels in Heaven. God has a Special place for her. When ever you down in thoughts always remember the good. You have always been a good Friend (sister) to me & it shows through your Mom. I am always here for you. Only a phone call away. I love you my Friend. My prayers ??to you & your Family. God Bless you all. Stay strong for Danny Ray.

*Love you Always
