“ I was so saddened when I picked up the Forecaster today and saw that "Stets" had passed. She gave me the opportunity to play Varsity field hockey, as a Freshman at FHS, and took me under her wing in the library and helped me blossom as a "computer geek." Which was unusual for 1984! I'll never forget her as one of my greatest mentors through high school! She was an amazing woman! I feel like she raised those of us she touched, as her own. All my best to you and your family. Sincerely, Molly Adams Stritch FHS Class of 1986##imported-begin##Molly Adams Stritch##imported-end##

“ Dear Mr. Stetson, I was very sorry to hear of Mrs. Stetson's passing. I played field hockey for her at Falmouth High School in the 80's. I will always remember her bright smile and positive attitude. She was a great example for myself and my teammates. She is one of the people throughout my education that made a lasting impression on me as a coach, librarian, person and friend. I am very sorry for your loss and hope that the fond memories that you have will help you through this very difficult time.
