“ Betty and I worked together for five years at the hospital. I've been to her home a few times, and out to eat and shop a few times with her. She even took me to her church once. She was a very good nurse, a very good person. I want to offer her family my condolences. I will miss her.##imported-begin##Connie Bonnette##imported-end##

“ *What a shock! Betty was a wonderful nurse. She taught me the ropes when I was a new grad at the old Conway Hospital in 1972. I was so thankful for all she taught me. I will be thinking of her family.##imported-begin##Barbara Graham##imported-end##*
