“ *To the Family and friends*

I have so many wonderful memories of and with Betty over many years. Bus trips together, trips to the Mountains, visits to her home on the Riverfront (always on 4th of July) and our countless phone visits. She was a trooper through ALL of her illnesses always with a positive attitude. Betty lived a long life and has now received the ultimate Peace from our Heavenly Father.. May God grant you His Peace and comfort now and in the days ahead..
