“ To all, I was so saddened to hear of Bettys passing. I have so so many great memories of her over the many years i have known your family. She was such a sweet blessing and always had something kind to say to everyone. She has always been special to me from going over and staying with Lindsey and going to church, gosh i think we might have been 7 until the last time i went in the restaurant and spoke with her about family and my daughter. she remembered me being little and told me how my daughter looks just like me when i was younger. She always welcomed everyone with a smile and it was always great to have the couple minutes of conversation with her. She will certainly be missed by all who knew her. For you all, may Gods love and strength surround you during this difficult time.##imported-begin##Joe & Kristina SawyerCherms##imported-end##
