“ *Children, you have lost a precious mother and I have lost a precious friend! I've known Betty Jean since she was ten years old. I not only lost a wonderful friend, but someone I loved dearly. In recent years we spent many hours talking on the phone. Before hanging up we would always say "I love you!" I never dreamed when we last talked that it would be the last time I'd get to tell my friend those three words! I realize now more than ever how important it is to tell those we love that we love them! May God bless and comfort all of you now and in the days ahead.*

*Love and prayers,
