“ *She was the sweetest woman ever I lived beside her for almost two years and she always called me son and treated me as such, I'd come home from work and she always worried if I ate or had anything. She was such a sweet lady and would do anything for anyone. I was in love with her dog as so the dog "nay nay" that I now own a dog just like hers in her honor. I was blessed to see her one more time last year after not seeing her for about 8 years , I recognized her through her mask .. such beautiful sweet caring eyes how can you forget them! I love you betty and you will always be in my heart ❤️💜 !!*
