“ So sorry you had to leave without our knowing of your illness and getting to see you. As a part of our Class of '59, we got to know you and share good and bad times. How you will only have good times and be happy always. Though your funeral is private, we will think of you and your family on Saturday, and trust each of you will be in God's loving hand.

Betty and I were 1959 high school classmates and I'm so sorry to hear of her passing. I have some very good memories from that time of our lives. I pray for God's blessings and His mercy on all of you.
