“ *Jeannie, we shared a lot of fun times. When you first came into my flower shop, Love N' Bloom Florist, you were so fun and full of life. We began our partnership with roses, and also a friendship. Godspeed, my friend, I am sure you are entertaining the angels..... rest well and enjoy Heaven!!!*

“ Aunt Jeannie was always an inspiration to me. She was very active and I know she loved me very much as I did her. Any time I went to the beach she always wanted me to come see her. I loved looking at all of her flowers in her yard. I loved going yard selling with her. She would find the neatest things. She was also a good cook and would always make some yummy food too. We would stay up half the night talking. She never met a stranger. She always made everybody feel welcome around her. I loved the way she could talk to anybody no matter where we were. I just loved her!
