“ Mom-mom had a great sense of humor. I will miss visiting her and talking with her in the phone. There are many memories of my Mom-mom. The best is how much she LOVED the board game Parcheesi. One time my sister and I were visiting during New Years. We had gotten back from watching the fire workers with our Cousin Bobby. As we were entering the living room, she had started to go to her bedroom until she heard that we were going to play parcheesi. She turned her walker around and said, "Oooo I think I'll play." She beat us joyfully. You are dearly missed Mom-mom! Love you always, your granddaughter, Lydia Marie!!!
