“ My deepest condolences goes out to the family of Ms. Jenkins. I called her Betty-Boop. I will miss greeting her at the beginning of my shift and sitting with her in silence just to ease her anxiety. As a healthcare professional they tell us not to get attached. It was hard not loving Betty. The last time I saw her, I kissed her forehead and told her that I loved her. I pray that she passed knowing that was true. She has forever left an impression in my heart aand mind. She WILL forever be loved and missed by me. Patsy(as she called you), I pray that Jehovah holds you tight through this time of sorrow.###imported-begin###Monique Alston###imported-end###
