“ She was a mother to me as she was to so many others who needed her wisdom and love. She helped me grow and mature. I saw the way she so selfish  
Y gave of herself for those she loved and it made me strive to be a better person. I have held her in my heart for many years even though we lost touch. Betty Jo and her family will always be in my heart and in my prayers. I love you all. I know that Claude and Betty Jo are now reunited in heaven, with no more pain or sorrow, praising the Lord, happier than we can even imagine. I hope that knowing this will give you peace during this time. I love you. -

I'm so sorry to hear this info. One thing I will always remember about Ms Betty Jo was her smile ! She gave life to Jo Ann and to Sherry and taught both of them how important it was to smile. Laughter and smiles are what I always will remember about your family !!!
