“ Thank you for allowing us to care for Ms. Sasser. Betty was an absolute delight with her quit wit and sassy personality. I don't know that there is a staff member who wasn't touched by her in one way or another. We are blessed to have had an opportunity to know and care for Betty. To all who loved her- our deepest sympathy and prayers. - The Staff at Kingston Nursing Center.

“ To the Sasser family- We are saddened to hear of Mrs. Betty Sasser's passing. She was a jewel in our Shadow Mist /Garden Dale neighborhood. We have missed the bowl of fragrant gardenias that were cut from her yard every year. Nothing compares to that sweet aroma and Mrs. Betty will always be remembered as "our gardenia".

*With deep sympathy,

“ I am so thankful for the opportunity, that was a gift to me, to meet and enjoy your mother. She brightened my day each time I visited with her and the visits always included a conversation with her about her love and appreciation for her family. May God continue to bless the family as you share your memories, love and laughter during this time of grief.
