“ *Ms Betty(this is what I grew up calling her) and I had some really great conversations when I went to sit with her a few times. Omgoodness one day we laughed so hard we both had tears rolling. I won't forget her beautiful laugh. Something I know she didn't do that often. I have missed them and of course I will miss knowing she is not here with us anymore. I thank the Good Lord we have another Angel to watch over us. She will ALWAYS be with you Pat and Teresa. Love you both.*
