“ I have so, many memories about 8 months ago my brother Keith and his wife and myself took my mom to have a procedure done. I knew it was going to be a all day thing, so I took me some snacks I was in the back with mama waiting on the doctor to prep her I had to use the rest room my bag of snacks were laying near her mama knew she wasn't supposed to have anything to eat or drink until the procedure was over with. Well when I came back mama had gotten into my snacks and had a bag of m'm's I tried for 5 minutes to get the bag of m'm's from her I said mama you know you're not allowed to eat them so, finally after trying to get the m'm's from her the bag ripped and m'm's went every where somehow after all that mama still managed to get some m'm's in her mouth she would not let me get them out. Mama looked at me with the biggest smile and said Gooding Gooding I told you I was going to get them and she did. Mama was something else. I love you so very much mama I will miss you like crazy you will always be with me you will never leave me mama I love you.

“ *Betty worked with us at Myrtle Beach Primary School for years. We loved her so much. My favorite memory is when she was sitting with us at a meeting. She propped her head on her hand and dozed off. Her head fell off of her hand and it woke her up. We had the best laugh. We loved to tease her about it. She was one of a kind. I will miss her.*
