Tribute Wall

“ To the Family: Please accept my deepest sympathies on the loss of your beloved. It is never easy to deal with the passing of a loved one. May you find comfort in knowing that God never intended for man to die, according to Ps. 37:29, " the righteous are to possess the earth and live forever." We should have confidence that this will one day be for Isa. 25:8 tells us that "death will be swallowed up forever." It is my sincere desire that you find strength through these bible verses, during this trying time.##imported-begin##F. Allston##imported-end##
