“ Family of Beverly Baxley I feel like I have just lost my best friend. Beverly and I were classmates from elementary through the 10th grade when she left Rains to go to Marion High for some college courses she needed to attend college. She was a wonderful person. A beautiful girl and always elegant. If I had to describe her I would say she was like a sister that I never had. We would spend the night together and pal around on Sunday afternoons with our other friend Jean Shelley. Just last year, after being apart for 40 years I received a phone call and it was Beverly. I was so excited after all those years we had found each other, again. I am so sorry to hear that she has left us but I know that she is in a better place. One day we'll meet again.I know that her children are as fine as their Mother.Please know that you have our deepest sympathy. Aimee thank you for talking to me about your Mother's condition. I really appreciate it. May God Bless and keep you all. Love, Dorothy Bridgman Jordan##imported-begin##Dorothy Bridgman Jordan##imported-end##

“ Dear Baxley Family, We are so sad to hear of Beverly's passing, especially so soon after we lost Col. Baxley. They were both dear friends to us upon our arrival at Coastal Carolina University. Beverly was a lovely person and we so enjoyed being with her and Bill. We regret we will be unable to be with you for the services Monday as we are in transit to Europe as we write. You all will be in our thoughts and prayers. Our condolences go out to the entire family. Sincerely, Henry and Carla Lowenstein##imported-begin##Dr. Henry and Carla Lowenstein##imported-end##

“ I just wanted you to know that I am so very sorry for your loss. Being her cousin, we saw her a good bit in our younger years. I always looked up to her. She was 10 years my senior and I always thought that she was so beautiful and elegant. That never changed. She kept that beauty, inner and outer, elegance and that beautiful smile all of her life. She will surely be missed.....Brenda C. Player###imported-begin##Brenda Player###imported-end##
