“ A dear friend and a beautiful person, with whom I shared many years of beautiful sunrises, long strolls and great conversations, on the beautiful beaches of Murrells Inlet. Beverly became a second Mom to me and I will truly miss her!

“ All the Robinsons in Oklahoma will miss our dear Aunt Bev. Childhood days of spending great times with our cousins in Okmulgee will always be treasured and implanted in our memories. Aunt Bev was a wonderful person, always fun and enjoyable to be around. She shared the awesome task of corralling the infamous Kurt and Chris, a couple of 4 year-old cousins who ran amok at the Okmulgee Country Club. Memories of Aunt Bev will always bring a smile to us.

“ Well the time has come to say goodbye to my Great Grandma Robinson as she gained those beautiful wings January 17th and flew off to see her husband, her son, her mother, can't forget Stoney, and many more people! 5 Generations of women we have stood strong together! You have always been the rock that has held us all together! But I think we got it from here :-) Even in your final days you brought myself closer to my mom and sis (despite our differences) I was also able to just sit and talk with Uncle Chris which meant the absolute world to me! Just know we are all okay and we all love you so very much!!!! You will be missed by so many but there are so many people that I know have missed you and have been waiting on you there and that I am sure met you with open arms! So go catch up with them :-) tell them we said hey! I know you will be closing watching over us :-) that's just who you are :-) I love you Grandma Robinson! ❤️❤️❤️❤️❤️❤️❤️❤️❤️❤️❤️
