“ I am forever grateful that Bev and my other sister: Linda, Jacque and Karla all came to Bisnarck last summer to spend a week at my house. We had lots of laughs. We made homemade noodles using our Moms noodle maker. They all decided that it was too much work and would just go to the store and buy the Amish noodles! We also made home made ice cream using our parent's hand crank ice cream maker from the farm. Took us most of the evening to get the job done, all taking a turn at cranking the handle. Great ice cream it was! All of us sisters have a marching shot glass that was our Moms. We'd text each other for different occasions and say it's time for a shot...bottoms up! Will miss doing that with Bev.....so Bottoms Up, Bev!!
