“ Beverly Tempalsky is one of the nicest ladies I've ever met. She served with her whole heart and was totally dedicated to her assignment.

She joined Georgetown Hospital System,'s (now Tideland Health) Volunteer Department, served in both Gift Shops, and served in the hospital Auxiliary as President during her years of service. Beverly provided more hours of service than any other individual in the volunteer department. I truly felt as though she was part of my family. Bev, I am so grateful for our friendship and I will never forget you. Fran Tilman
