“ Dear Billy, I am so sorry that we did not get to sing hymns, say prayers together as a family, and share the happy memories that all of us had with you while we were there at your house. I pray that you and Cathy, Mom, Raeford and Bobby are doing that now. The family has already decided that next year on the anniversary of your passing from this place, we will be together as a family and celebrate your life with laughter and good memories as it should have been. I know that you will be with us. We all love you and will miss you. Susie##imported-begin##Susie Lail##imported-end##
