“ From Kristy: Steve, I wish you never had to go through this. No one ever should. I hope that you know that you hold a special place in the hearts of all the people in the Hayes clan. I don't think we will be making it to the funeral, but this did shake up my family quite a bit. I wish we could be at the funeral to support you, but you can trust me when I say you ALWAYS can count on us when you need any of our support. I send my hugs to ya. The email address is my friend's. She will give any messages to me.##imported-begin##The Hayes Family##imported-end##
