“ *Mama, Ask we work through this day by day, lets start remembering all the fun we had with daddy and all the good times we shared with him. I never wanted to see daddy go this early in my life when he still had so much to teach me. Daddy taught me something new everyday and would make me laugh at the same time. I knew everyday he would call me just to call me a Goober and tell me to "be cool." I miss daddy everyday, but my promise to you is we work through this time together. Thank you for picking out the very best daddy for me, and the very best papa for Bri. I love you so very much mama.##imported-begin##Missy##imported-end##*
