“ Jim, We were regretful to read of Billie passing on. The article mentions your retirement to Pawleys Island in 1984 or one year before Jo Ann and Clyde made this home. We both think of you and Billie involved in Litchfield golf and Jo Ann has many fond memories of Billie`s efforts and her thoughtfulness with newcomers. We had assumed you both had spent many happy times in the Litchfield area long before 1984. Jo Ann & Clyde##imported-begin##Clyde & Jo Ann Jantze##imported-end##
