“ *Billie and Wayne were customers and friends of the Walmart pharmacy on 544. We looked forward to seeing them each time they came. We bought produce from their stand and shared personal memories each time we met. I am so glad I saw her just a week or so ago while we were both shopping at Sam's. She was a kind and hard working woman. Our blessings and prayers for peace go out to all her loved ones. We will miss her sweet smile and caring spirit.*

“ *Billie had such a kind and loving spirit that children were just naturally drawn to her. She was the first Children's Leader for our son when he started BSF, and she help to plant a seed that is bearing fruit more and more every day. Billie worked for God's Kingdom to the very last and she was a blessing to countless families. I know she is rejoicing this morning with her Lord!*

“ Rest in peace my dear friend, Billie. I find comfort in knowing that you are now in heaven with those you love so dearly. I will miss you dearly and I will cherish all of the memories we made together. The memories of our time together will never be forgotten.

Kenny, Beth, Sandra, and John -  
My deepest sympathies, prayers, and love are with all of you.

A yellow butterfly came to my window yesterday morning, and I know it was Billie. I believe in my heart she came to let me know she was okay. She had such a spiritual soul.

“ *My deepest sympathies are extended to the family! I have had the honor of knowing Billie from the produce stand for years but during this summer our weekly visits took on more meaning. She was a friend to all and the most kind-hearted woman I've known. She will be deeply missed.*
