“ I remember Uncle Bill most from my my summer trips to see my cousins and aunt connie in Connecticut. I would have such a great time with his wonderful family and the fact he had raised such a caring family spoke volumes about the man. The last time I was fortunate to be around him was my grandfathers funeral and knowing he was such a strong man and to see him brought to tears taught me you could be a man and show your emotions as well. Im sure he touched many lives and is in a the place he truly belongs. Heaven. God bless. Scott###imported-begin###Scott Alvarez###imported-end###

“ I will always remember Uncle "Tex" for his sense of humor and the way he would always tease me. I will never forget the summer weeks we spent at their house in Mystic, CT. As a kid that was my summer vacation and it meant a great deal to me. You and Aunt Connie will be in my thoughts and prayers. Your niece, Linda###imported-begin###Linda Ryan###imported-end###
