“ Mrs Boyd and family, I am so sorry for your loss. Mr. Boyd was such a special person. He always had a big smile for everyone who came in the IGA and took time to speak to them. He always remembered who I was and who my parents were. The store was never the same after he stopped working. He was greatly missed then and I know he is greatly missed now by all his family and friends. Try to remember the good times and that beautiful smile of his and find comfort in those memories. Thank you for allowing Heartland Hospice staff to help take care of him in his final days. He will be missed by us too.

“ The City of Loris will never be the same without Mr. Billy, smiling at you and asking how your family is doing. He always asked about my Mother every time I saw him and when she passed He was so "Mr. Billy" to me. Many of us understand what I meant by that as he was a bright ray of sunshine on days I didn't feel so well.  
So sorry for your loss and pray for all a sense of calm and peace through the coming days.....
