“ I will always remember our times together as we sat outside and talked about everything, from plants that we grew, the weather, and he would always chuckle as I would rant about certain topics. We always checked on each other, he lived growing tomatoes and basil, and a whole bunch other species. He would light up whenever I made my deviled eggs, and loved my pork roast, to chicken salad sandwiches. Bill was always puttering around and keeping busy. We always laughed when Rocky the squirrel would come out when he heard us talking, and the stray cat from across us. Bill said I was like Dr. Doolittle, LOL It's going to be so different without him as my friend and neighbor,,,, He is at peace now and I can't wait to see him again when my time comes,,,, Loved and truly be missed, Linda
