“ I have very fond memories of Mr. Billy, especially those memories made on the softball field. Playing first base, I was always nervous when left-handed Mr. Billy stepped into the batter's box. He would stare me down, grin, and challenge me to stand fast for what was about to come my way. He would hit bullets down the first base line. Sometimes I'd make the play, sometimes I failed. He challenged me every single time. After each game, we'd shake hands, laugh, and look forward to the next time we faced each other. I'll never forget. He will surely be missed!

“ I was blessed to have Billy as my friend! We “grew up” as backdoor neighbors but really got to know him through church. We sat behind him and Elaine (in our “reserved seats.”) for many years. Such good Christian friends. I looked forward to my “kiss” every Sunday. I prayed for you continually since you have been sick and hospitalized. It is hard to know exactly “how to pray” and “what to pray for”. But I asked God for your physical healing. I wanted you to get better and come back to Sessions St., but God eventually did heal you completely and now you are in your everlasting home. I know that beautiful, happy smile is still on your face worshipping your GOD. I Loved you Billy, will miss you, but know that I will see you again.

“ *I am brokenhearted for all of you, Mrs. Elaine, Jeffrey, Karen, Kayla, Brady, and all of the family. Whenever he saw me at church, he always had a huge smile, a "Hello, sweetheart." and a kiss on the cheek for me! I cherished each of them. I will be praying for each and everyone of you through this journey. Sending love.*
