“ I worked with Billy Joe at Pepsi for about a year after Grove Mfg. closed. He was always a nice fellow and was willing to help any of us anyway he could. He was in his early forties then, but he could work, and outwork, those of us in our twenties. I'm glad I got to know him and was able to call him my friend. I'm sure he was a great family man because of what we saw in him on the job. He always set a good example, not only doing his job, but with his character. May the good Lord help you through this time and give you fond memories to remember him by.
